### **\*NOTICE CONCERNING TRANSFERABILITY OF UNITS AND DEGREES EARNED AT RUDOLF STEINER**

**COLLEGE:** Units earned at Rudolf Steiner College in most cases will probably not be transferable to any other college or university. For example, if you enter Rudolf Steiner College as a freshman, you will still be a freshman if you enter another college or university at some time in the future even though you earned units at Rudolf Steiner College. The transferability of units earned at Rudolf Steiner College is entirely up to the transferee institution over which Rudolf Steiner College has no authority. In addition, if you earn a degree, diploma or certificate at Rudolf Steiner College, in most cases it will probably not serve as a basis for obtaining a higher level degree at another college or university.
